Short presentation of the “DunE-BB-EU Guideline”

About the structure

What kind informations are in the DunE-BB-EU Guideline

1. Results of the DunE-BB-EU Network meetings analog and digital
2. Results of the digital DunE-Dialogue meetings
3. Results of research on the subject of CoVE, excellent VET, digitalization,su on the internet
 - Introduction give a overview
 - Issues and answers and design suggestions

This guide answers the following questions:

1. What is a Regional Centre of Excellence for Vocational Education and Training?
2. Why do regions need centres of excellence for vocational education and training?
3. How should a regionally digitally-supported and sustainability-oriented Centre of Excellence for Vocational Education and Training be designed from the point of view of users and vocational education and training partners? - Results of the quality discussions

4. What further information is useful for the transformation of VET learning venues into regional centres of excellence?
5. Necessary framework conditions for the successful transformation of VET learning venues into Centres of Professional Excellence (CoVEs)

In the following, answers and design proposals are presented, which provide guidance and decision-making support for policy-makers, but also suggestions for other VET actors who are not part of the DunE-BB-EU Vocational Education and Training Network in the further development (transformation) of their VET learning venues into regional centres of excellence for vocational education and training.

The creation of digitally-supported and sustainability-oriented regional centres of excellence for vocational education and training in Europe is a joint political and social task.

First introduction to Panel 1

Information about a phone conversation with Mr. Prof. Dr. Hubert Meyer, chief executive officer (Hauptgeschäftsführer) Lower Saxony District Assembly (Niedersächsischer Landkreistag NLT). He thinks, that the VET schools need more support by the transformation to a CoVE and is open for a following dialogue. He will proof the Guideline and bring the theme in the next “Landkreisversammlung in 2022”!

Second introduction to Panel 1

Information from Ms. Anja Karliczek, Federal Minister of Education in Germany, BMBF

Answer of Ms Karliczek,
Federal Minister for Education and Research

“The centres of vocational excellence are an important element to strengthen vocational education in the European education area. Ms Karliczek is pleased that you support this with the vocational education and training network DunE-BB-EU and the design guideline developed from it.”

Unfortunately, Ms. Minister will not be able to attend the conference on 3 September 2021.

She wishes you continued success with the DunE-BB-EU VET network and the upcoming conference

The screenshot shows a video conference interface. In the center, a man with glasses and a white shirt is speaking. A red box at the bottom of the screen identifies him as "Joao Santos". Below his name, it says "Senior Expert in the Directorate General for Employment, Social Affairs, and Inclusion, European Commission". To the left of the speaker, there is a "meetyoo" logo and a "Translation" section with options for "via browser" (Français, English) and "via mobile" (QR code: WjElwAK). On the right side of the screen, there is a watermark for "Now@bbs1uelzen.de". The background of the video shows a modern conference room with a large audience seated in rows, a green wall with a network diagram, and a large window overlooking a city. The video player interface includes a progress bar at 0:02:48 and control buttons for volume, brightness, and other settings. At the bottom of the screen, there is a taskbar with various icons and a search bar.

Bridging Africa and Europe: New Qualifications and Competencies in TVET

meetyoo+ Now@bbs1uelzen.de

The image shows a virtual conference hall designed to look like a modern, open-plan office or lobby. On the left, a set of grey stairs leads up to a platform. On the platform, there's a green sign that reads "Breakout Rooms". To the right of the stairs, there's a large white wall featuring a red circular icon with a wrench inside, representing "New Qualifications and Competencies". Next to it are four smaller colored circles (blue, yellow, green, orange) with the letters "4Q" above them. Below these icons is a large screen displaying a graphic recording titled "EXPLORE the GRAPHIC RECORDINGS" which includes a globe and various text elements. To the right of the graphic recording is a green sign that reads "Plenary Hall". In the center of the room, there's a white reception desk with a computer monitor and a small potted tree. The word "INFORMATION" is written in red on the front of the desk. Several people are standing around the room, some near the reception desk and others near the "Plenary Hall" entrance. In the background, there are large windows showing a view of a modern building with yellow and red panels. On the right wall, there are logos and text for the "BILT Bridging Innovation and Learning in TVET" project, the "SUSTAINABLE DEVELOPMENT GOALS", and the "University of Cape Coast". At the bottom of the screen, there's a red footer bar with icons for "Navigation", "Chats (1 new/2)", "Contacts", "Briefcase", and "Notifications (1)".
