

## **Erasmus plus Network Project "Excellence-Network Vocational Education and Training - Sustainable Development - VESD**

The very successful EU vocational education and training network "Designing Digitally Supported and Sustainability-Oriented Centres of Excellence for Vocational Education and Training in EUROPE (DUNE-BB\_EU)" has evolved into the Network of Excellence "Vocational Education and Training for Sustainable Development".

has evolved into the Network of Excellence on Sustainable Development in Vocational Education and Training (BBNE) on 31.05.2022.

Since autumn 2022, the global vocational education and training network led by BBS I Uelzen has been recognised as an Erasmus Plus network project.

and will be funded with 60,000 EUR.

We are very pleased that **Mrs. Lena Düpont, Member of the European Parliament**, continues to be available as a **patron**.

and supports our globally oriented vocational training network.

We invite interested persons, VET institutions and VET partners from all continents to join the VET dialogue in the context of VET for Sustainable Development.

Become part of our VET network to exchange on excellent sustainability-oriented design of learning venues, projects and learning arrangements.

We will also exchange new ideas for joint sustainability-oriented learning venue cooperation and sustainability projects.

### **Our next dates:**

Tuesday, 14.02.2023 at 2:30 p.m.

Online Dialogue Forum

**"Dialogue with TVET Experts, acteurs and supporters about best practice and partnerships for Vocational Education Sustainable Development VESD on the African continent?!"**

Tuesday, 28.02.2023 until Friday, 03.03.2023
